# Jiffy-Jell

# Mint Flavor

For Lamb and Cold Meats Salads and Garnish

You have never known mint flavor in a quick salad jell. It cannot be mixed with the gelatine powder, because the flavor escapes. And it scents everything about it.

But Jiffy-Jell flavors come in sealed vials. So here you have Mint Jellzestful and cooling. And you make

it in a jiffy.

Mint Spraya To a package of Jiffy-Jell add a pint of boiling water. When partly cool, stir in the Mint flavor. Then you have a green jell with a wealth of Mint flavor, for lamb, for cold meats, for salads and relishes.

## Try at Our Risk

Get a package of Mint Jiffy-Jell from your grocer. Serve it and see how you like it. If it isn't something you will always want, your

grocer will return your money. Another relish is Lime Jiffy-Jell, with the tart flavor made from lime

fruit. The dessert Jiffy-Jells are strawberry, raspberry, cherry, orange, lemon and pineapple. All true fruit flavors, made from fresh, ripe fruit, and sealed in separate vials.

They will add delights to a thousand meals. Two packages for 25 cents.

### Want Pink Cheeks-Red Lips?

Some unfortunate men and women are Some unfortunate men and women are prone to wonder why some of their friends are blessed with an abundance of color—pipk cheeks and red lips—while theirs are always colorless. The reason for this last named condition is—there is not enough red blood corpuscles in the blood—under a microscope the blood is thin and watery. The flesh is flabby too. Well known physicians assert that the regular administration for several months, of three-grain hypo-nuclane tablets will greatly improve the color, add to the weight, make the cheeks pink and the lips red and in general be very beneficial.
